### PLEASE READ FIRST - IMPORTANT!

Normally the Capital is set to USD 10,000 for any Panamanian registered Private Interest Foundation or Panamanian registered International Business Company, unless a different Capital is agreed upon before registration. For British registered Limited Companies the Capital is set to GBP 10,000. To have a higher Capital registered, please state the amount below.

Please also indicate if this is a change to an already registered entity by selecting "Initial Capital" or "Change of Capital" below.

Fees apply to change capital in the Public Registry. Note that Annual Fees will also normally increase with higher registered Capital.
